Essentially the complaint raised in this writ petition is against the shifting of a KSEB Sub Engineer's Office, which has now been upgraded to a Section Office. I see no legal right for the petitioner to entertain this writ petition. It is for the respondents to decide, which is the best location suitable for an office. It is neither for this court nor it is for the petitioner to meddle with such a policy decision to be taken by the respondents. Writ petition fails and is dismissed.

However, if Ext.P5 has been received and is pending, it is upto the authority concerned to deal with the same and I do not wish to express anything on this.

ANTONY DOMINIC, JUDGE.
